

Weekly Updates for Arlington/March 1- 5, 2010

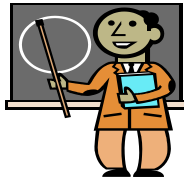

This week we kick off our Spring Field Trip Fundraiser with very Easter friendly candies and goodies, reasonably priced at just \$6.00 each.

Bible classes continue of parables and Christian they focus on loving

dramatic portrayals concepts. This week forgiveness.

Students mini

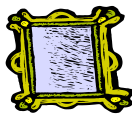

become “Teacher for a Day” in science class, presenting lessons and create corresponding tests with answer keys.

Primary students make the most of March winds by making and flying kites. They are beginning a plant growing project to present at the Science Fair in May.

Students in upper elementary in subject area and nonfiction

class learn to “frame” important ideas text.

The Transitional Class begins a study of American justice and The Supreme Court. What is it? Why is it important? They’ll be reenacting the appeal process for two convicts – one innocent and one guilty of previously convicted crimes.
