

We are joining the church here in collecting items to send to Haiti. This will be an ongoing collection. As a full truckload is collected it will be sent. Items needed include clothing, shoes, trash bags, towels, washcloths, top sheets, toiletries, medical supplies, non-perishable food items, water, gatorade, juices, candles, flashlights, batteries, bug repellent, tarps and sleeping bags. Any and all donations are greatly appreciated!

Primary students are beginning a new unit on machines. As part of this thematic unit, they'll be making Action Verb Collages!

Upper elementary will exploring/playing with video tour of Florida

be having lots of creative fun making Silly Faces Collages in Art and rhythm, making their own songs, in Music class. They'll be getting a during Social Studies this week.

The Transitional group write creative stories based illustration. They practice using adjectives by blindfolded. They'll be staging a protest this week

on magazine pictures they choose for their describing things they touch in a bag while to mimic The Boston Tea Party!

English classes do research to prepare for a debate about the crisis in Haiti and our responsibilities to provide aid. Be sure to ask your child about the Accordion Paragraph Writing technique they're putting into practice.

During a week filled with critical crunching the numbers, while

thinking, Economics and Math classes keep geography plots latitude and longitude.

they've

Science classes take the rocks

been studying and see what it takes to turn them into diamonds!
