*Thank you everyone for the great day that we had on 11/20. The Thanksgiving Day Feast was a great success. We could not have done it without you.*

\* **Great job kids.** You brought in 430 items for the food drive. The boys won the contest by a landslide. Congratulations Boys!!! We will be serving the beans and burgers sometime in January.

\* **Tardy** If students are tardy 10 times in a 9 week period, they will receive an "I" incomplete on their report cards. Students are required to do an additional project as well as make up work, for the class time they missed, and they lose an early release day because of the "I". Our day starts at 8:30.

\* Just a friendly reminder about dress code. It is important that we look professional in our dress and appearance. Shirt clean and neat, shirt tucked in, and belts if pants have belt loops.

\* We will be working on our float all week for the parade. We need to be at the Middleburg Baptist Church at 5:30 on Saturday, Dec. 5th for line up. The parade starts at 6:30. Permission slip required to participate.

\* The cost of the MOSH field trip will be \$6.00 and we need to bring a lunch that day. There will be no place for us to purchase lunch that day. Permission slip required to participate.
