From the Director's Desk...

Dear Parents,

I can hardly believe that we are already into the third quarter of the school year! January is behind us and February is here to present us with a new set of opportunities and challenges. The Bible reminds us that every day is a gift from God. Let us do our best to honor him in all that we do. I am excited to see what God is going to do. Have a wonderful and blessed day.

In Christ,
Yvette Postell

Senior Spotlight: Caleb Crews

Choosing a career or knowing what direction to go in when leaving high school is a task for some, but for Caleb C. he is a hot topic. Caleb states that he is looking more into the career of welding. What it says is "I wish to pursue a career in welding, to be exact a Welder Fabricator. I would like to work locally with not much travel involved. I am fortunate in the fact that my father has contacts to reach out to direct me on this path." Of course he states he will also continue to do research to better assist him in choosing the best path.
