FROM MS. SKINNER'S DESK

What a difference a year makes. As I look back over this past year I am amazed and thankful that we serve a God who is faithful. This time last year we were scrambling to get an online version of Lighthouse going so as not to skip a beat in educating our students. Today, we may not have mastered distance learning, but we are definitely better at it than last year. Thanks to parents, teachers and staff willing to be team players and work together. Working together is the only way we can be successful in anything. Let's keep this momentum going and finish this year strong. We can do this!

Monthly Christianity in Action

April is Autism Awareness. Many of our students have been diagnosed with some level of Autism. There are many types of Autism influenced by genetics and environmental factors. However, it does not prevent students from being successful. Please join us as we bring awareness to this difference and celebrate the uniqueness of our students.

"I praise you because I am fearfully and wonderfully made" Psalm 139: 14
