Back to School Prayer

Dear Heavenly Father,

Thank You for the wonderful summer we enjoyed. As we begin this new school year, we ask for Your blessings. Fill it with joy as we reunite with, and make new friends with excitement and love for learning. Watch over all who learn, replacing fear with joy and anxiety with peace. Grant our teachers and staff wisdom, patience, and joy in all they do.

In Jesus' name we pray. Amen.

From the Director's Desk:

It is amazing how quickly the start of a new school year comes around! Each year seems to fly by faster than the last. By now, we are all getting back into the rhythm of early mornings and classwork. Our teachers have already started beginning-of-year assessments to ensure we tailor our teaching to meet each student's individual needs.

To help us make the most of each day, it is important that your child arrives by 8:30, ready and eager to learn.

Since we have new students this year and I am new to the Orange Park Campus, here are some fun facts about Ms. Woods

- I am a daughter of the King and Jesus is my Lord and Savior.
- I have two adult children and eleven grands.
- I love music, art, and photography.
- I love to watch golf, college and pro football, college basketball, and March Madness.
- My favorite hobby is singing and soap making.

PLANNERS!

Your child was issued a Student Planner on the 1st Day of School. Please be sure you are asking to see your student's planner every night. This is an important communication tool between home and the classroom.

Handbook and Laptop Agreements

The Blue Pages in the front of the planner is our student handbook. Please be sure to read through it with your student and sign the final blue page.

Also, we have added the Laptop agreement (yellow page) to the planner. You will find the agreement at the end of the blue pages. This **MUST** be signed before your child will be able to use the student computers.
