Always wear your school uniform, unless we have a dress-down day on Friday

Christmas Party, bring your \$10 exchange gift and dress up! (optional)

Student Spotlight

Gabriel M.

I have been at Lighthouse Christian School for five years. My favorite subjects are P.E. and Bible because P.E. gives me time to play, and Bible helps me learn more about God's Word and what my teacher shares about it. I am a good student because I always show up on time and complete all my work. A Bible verse that inspires me to be my best is Matthew 10:40, which says, "Anyone who welcomes you welcomes me, and anyone who welcomes me welcomes the one who sent me." I look up to my family because they are closest to me and always support me. A fun fact about me is that I love helping my family at home and am always willing to help others.

Upcoming Events

• November

- January 5th 2026 - Students return

Science Corner

Simple Machines

Roller Coaster

Pulley Crane

Creature of Shadows by Lilli

I admire crows though they disappear when it snows, their obsidian black wings unfold soring with sights of gold. Crows fly below collecting stones with colors of bold, large dark wings coming out not a single creak of sound. Marking jewels wrapped in chain, crows are not symbols of pain so stop staring with disdain. Hunting the shadow sand hunting below, stories hidden and secrets untold. To this day the creature of night stays unknown , due to the lack of knowledge of the Crow. Soon, its tale corrupted with cold.
