MAY/JUNE 2026

From
Ms. Skinner:

As we approach the end of the school year, I want to take a moment to reflect on what an incredible journey it has been. May and June are filled with celebrations, milestones, and lasting memories—and I couldn't be more proud of everything our students have accomplished! From academic growth to personal achievements, everyone has truly blossomed. We'll be wrapping up our final assignments, participating in end-of-year activities, and taking time to celebrate all the hard work and progress we've made. Thank you for your continued support, encouragement, and partnership throughout the year. It has been a joy and a privilege to watch your child excel. Wishing you all a safe, restful, and joyful summer.

Ms. Skinner

June

12 Randi H.

Mrs. Thompson

July

21 Heaven M.

24 Savannah H.

27 Troy H.

We encourage families to take a moment to enjoy uplifting music and positive messages by listening to JOY FM. It's a great way to bring encouragement, joy, and a little extra brightness into your day!

Please remember all money is handled by Mrs. Thompson in the front office. This includes all tuition payments, deposits to student accounts, all uniform orders, field trip payments, senior fees and any other payment or fee due the school.

Please make sure you get a receipt at the time of your payment.

STUDENT ACCOUNTS

Please note that student lunch account balances will carry over into the next school year. You will be notified of your student's current balance at the end of the month so you can plan accordingly.

SENIOR FUNDRAISING

I'd like to begin to plan fundraising efforts for the senior class and would love your input. If you have any ideas or suggestions, please email me as soon as possible. Your support and creativity are greatly appreciated as we work to make this a memorable year for our seniors.

Uniforms

We have placed our final uniform order for this school year. The next uniform order will be placed when we return in August. If you anticipate needing additional items, please plan accordingly to ensure your student is prepared for the start of the new school year. Please note that senior jackets may only be ordered in August. We do maintain a small stock of select items on hand; however, sizes and availability are limited.

SUMMER OFFICE HOURS

Office hours during the summer will be Tuesday through Friday from 9:00 AM to 3:00 PM. I will be working throughout the summer to prepare for the upcoming school year. While I will be in and out of the office, I will continue working on important planning and updates for August. If you need assistance, please email me and I will respond as soon as possible.

ORIENTATION

Student orientation is tentatively scheduled for August 11. Additional details will be shared as they are finalized, so please stay tuned for updates in the coming weeks.

Please ensure that your contact information on file is current and up to date. Accurate phone numbers and email addresses are essential so we can communicate important updates and information in a timely manner. If you need to make any changes, please contact the office as soon as possible.

We encourage all students to continue the learning process over the summer by reading regularly. Keeping up with reading helps maintain skills, build vocabulary, and prepare for a strong start to the new school year. Even a little time spent reading each day can make a big difference.

We are incredibly proud of our students for the dedication and perseverance they have shown while working on IXL this year. Their hard work is truly paying off! The majority of our students demonstrated measurable growth, and in many cases, students achieved the remarkable milestone of gaining a full year—or more—of academic progress. We encourage students to keep that momentum going—IXL will remain available throughout the summer to support continued learning and growth.

Please note that Google Classroom will be down for maintenance over the summer. During this time, I will be working on a variety of updates and preparations to ensure everything is ready for a smooth and successful start in August. Students' login information will remain the same and will not change for next year.

The login information follows the pattern of:

Student Name: John Smith DOB: 1/1/2001

Email: jsmith@lcsdm.org (not a working email, used for login only)

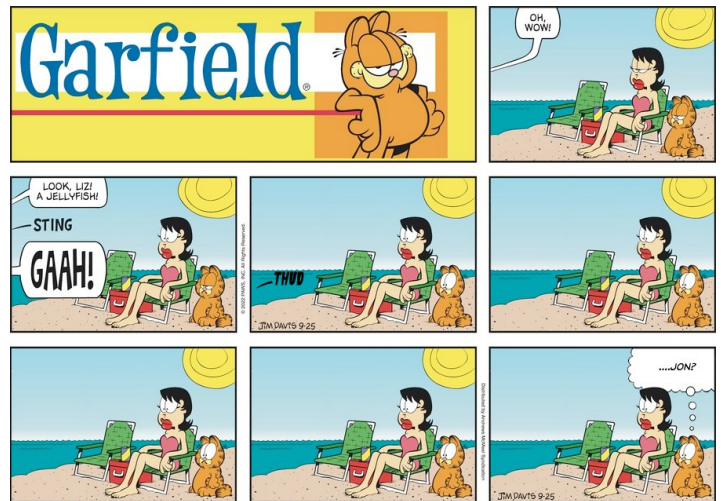

Password: jsmith2001

Are you checking your student's planner?

SWEAT EXPECTATIONS

- S**uccess ♦ On task, follows directions, takes an active role
- W**ith ♦ Comments are relevant, shows understanding
- E**ffort ♦ Asks appropriate questions and listens to others
- A**nd ♦ Uses appropriate language and body language
- T**enacity ♦ Uses time wisely and completes assignments on time
- ♦ Handles materials appropriately
- ♦ Puts best effort into completing quality work
- ♦ Comes to class prepared and ready to learn

Our final senior to introduce is Logan. He has been with us since the 2015–2016 school year when he entered 2nd grade. He has both literally and academically grown up with us, and it has been a true pleasure to watch Logan develop into the young man he is today.

Logan is well-mannered, polite, and sincerely tries his best in everything he does. After graduation, he plans to head directly into the workforce and see where life takes him, with possible interest in exploring college or the FAA in the future. His grandfather has had a strong influence in his life, teaching him about cars and sharing a love of the outdoors. Logan greatly looks up to his grandfather and hopes to follow in his footsteps as he continues his journey beyond high school.

Logan's favorite teacher is Mr. Jordan because he is funny and truly tries to help students understand both what is being taught in the textbook and life in general. Logan describes him as a "cool teacher" who makes learning more engaging and meaningful.

Logan's words of wisdom to underclassmen are: "Life may be a struggle, but whatever you do, you can make a change. Your destiny is yours to create—no one can do it for you."
