From the Director's Desk:

Hello, Lighthouse Christian School Westside Family! WELCOME BACK! Prayerfully, you all have had a restful and fun summer. As we kick off another school year, we always anticipate that this year will better than years in the pasted. With fresh paint, a clean, filled atmosphere to are campus we are so very grateful. I have missed the students very much over the summer and I cannot wait to see what this year has in-store for us, so let us kick this school year off great and with a bang.

God Bless,

Mrs. Yvette
