FROM THE DIRECTORS DESK:

As we move into the second quarter, I want to encourage all of our students to stay focused, motivated, and committed to doing their best. 2nd quarter Progress Reports will be issued Friday, November 21st.

Now is the time to build on what you've learned, set new goals, and keep pressing forward. Remember, consistency and effort make all the difference! Stay organized, ask for help when needed, and take pride in every small step toward your success.

We also want to take a moment to thank everyone who helped make our recent **Career Fair and Senior Luncheon** such a wonderful success. From our community partners to our staff and students from all of our campuses, your participation made the event both inspiring and memorable. It was exciting to see students exploring different career paths, asking great questions, and learning about the many opportunities that await them beyond graduation.

USS ORLECK FIELD TRIP

Our students had a wonderful time exploring the USS Orleck! They gained valuable insight into our Nation's military history and enjoyed a delightful lunch on the pier afterward.

"O give thanks to the Lord, for he is good; for his steadfast love endures forever."
~Psalm 107: 1

What if the phrase "Thank you!" was the phrase that we used the most? Rather than worrying about the upcoming holidays or where we want to eat tonight, we first stopped to show gratitude for all that God has given to us. Of course, we offer thanks to God before we eat and during worship, when we rise and before we go to sleep, but what if our gratitude was expressed before every decision that we made? How would those decisions be guided by the reminder of our thankfulness?

What if our gratitude for life shaped the course of our day, rather than being a reaction to it? For instance, imagine if our schedules were set according to the things for which we are most grateful, rather than oriented toward working toward things for which we could eventually be thankful. It would be a different world, wouldn't it?

We are entering into the holiday season, where each week seems to have a new meaning. It is a non-stop celebration of all that we can do, all that we have, and all that we want. So, let's do something wonderful; let's make it a priority to celebrate everything out of our gratitude! God has blessed us with so much. Let's offer our praise and Thanksgiving up to our Creator and live every moment of our lives shaped by the greatest gift of all, Jesus Christ.

With each gift that we give, each meal that we eat with our friends and families, and with each place that we have to be over the next two months, and with every decision that we make, let's give thanks first, letting that gratitude shape our every move.

Thanks be to God!
