Dear LCS Parents and Students,

As we enter this final quarter of the school year, I would like to address the dreaded.... END OF YEAR TESTING! Don't be afraid. At Lighthouse we know that one test does not tell how much a child has progressed and we know that not all our students are good test takers. The SAT10 test we will be taking will not determine whether your child passes the year. Rather, we use it as a tool to see what skills your child has mastered and what we still need to work on.

Because we use the test as a skills assessment, it is important that your child does his/her best, and don't fret, we will provide any testing accommodations your child needs.

While I want to stress the importance of the test, I don't want it to become a point of anxiety for our students.

Sincerely,  
Mrs. Simmons - Director

SAT 10 testing will be April 22-26. Please help your student do his/her best with these tips!

- **Go to bed early.** Adequate rest is important to help your child focus during test time.
- **Eat a good breakfast.** Add a little protein, like a piece of cheese, yogurt, or peanut butter. Protein helps you feel full longer. Nothing is more distracting than a hungry tummy!
- **Be to school on time.** We will not interrupt the test to admit a late student. Any student who is tardy will have to wait in the office until break time and will have to make-up the test at a later date.
- **Bring a #2 Pencil and a book.** Students who finish a test before time is called will be permitted to read silently at their desk.

It's the end of the year and supplies are running low. Please check with your student to be sure they have pens, pencils, and paper they need to complete their assignments.
