Dear LCS Parents and Students,

Welcome to a new school year! I am excited at what God is already doing at Lighthouse as we begin the 2025-2026 school year. Here's a highlight of what we have done: We are going over procedures in our planners and classrooms, some you will find listed in this newsletter. We will begin reviewing concepts in each of our subjects. Parents, please read and sign the blue and yellow pages in the student's planner and return them to school. Please send your students supplies in if you haven't already. If you have any questions, please do not hesitate to call. I look forward to working with you and your child throughout the school year.

Sincerely,
Mrs. Faucette - Director
