THANK YOU! THANK YOU! to everyone who helped with the pumpkin patch. Whether that be unloading, sorting, advertising, manning the “booth” or buying pumpkins. You are appreciated more than you know. I think it was a success and I look forward to doing it next year.... Now that I know what I'm doing! Seniors will be doing fundraising dinners so please be on the look out for those dates. You should have received your student’s report card or a notice as to why you didn’t by now. If you haven’t please let me know so that I can check on it for you. Remember you must be current with all payments to receive any records. This quarter is going to fly by. Please encourage your students to stay focused and get work turned in, in a timely manner. If I don’t see you personally to say it... Please have a wonderful Thanksgiving and a very Merry Christmas

November Senior Spotlight

Mindy has been with Lighthouse Christian School since 6th grade. The highlight of her senior year has been the opportunity to grown up along the other seniors, and glade to see them graduating with her. After she graduates, she plans on attending Florida State College at Jacksonville to obtain a bachelor’s degree in illustration, then work on getting a master’s degree in visual arts. Her favorite verse is John 11:35, “Jesus wept,” because it is the verse she able to easily recall the most. Mr. Burt Jordan is the most influential person in her life because he allows the students to be themselves and not have to be so serious in class. She also likes how passionate he is about history and his job. For next year seniors, “Try to have some fun, and don’t get so stressed out about it.” In her free time, she enjoys painting and illustrating. I asked what is illustrating, and she said, “drawing logos, creating book covers, and fictional characters like Disney.” Her passion for art and the desire to be an artist motivates her to work hard.

December Senior Spotlight

McKenzie has been with Light Christian School since 5th grade. The highlight of her senior year has been making new friends this year. After graduation, she plans on going to Florida State College at Jacksonville, and study phlebotomy. She has always wanted to work in the medical field. Her sister recommended becoming a phlebotomist because “you can make great money and she wants to help people.” Revelation 1:8 is her favorite verse as “it reminds her of God’s power, and how great and mighty He is.” Her family motivates her to work hard. They are her biggest support and encouragers. The most influential person in her life is her sister, Randi, because she has always been by her side through life challenges. In her free time, McKenzie enjoys writing, singing, cleaning, and organizing things. The advice for next year seniors, “Try your best and don’t give up. Remember even in the hard times God is with you and He is there holding your hand.”
