Hello Everyone,

We have reached the end of another great year. I just knew if I blinked it would be over too quickly. There is still no news on exactly where we will be in August but I know without a doubt that God has got the whole situation in His hand and we will be fine. As you all know, the church is for sale. If you don't hear otherwise from us, we will be starting right where we are. Please keep checking email and voicemail for updates throughout the summer as I will do my best to keep you updated. Please make careful note of the "Dates to Remember" section for the remainder of the year. If you need anything from now until August please do not hesitate to contact me. Have a wonderful and rest filled Summer Break.

SENIOR SPOTLIGHT

Heaven Alcott has been a Lighthouse Dinsmore student since 2016/2017 which was her 6th grade year. She was a rough and tough little tom boy when she started with us with her own way of doing things and a little attitude to boot. However, we showed her that she was loved and wanted and capable of succeeding and here she is ready to walk across the stage. I know Grandma is smiling down on her and so very proud because I am so very proud of her. Her dream job would be a veterinarian which makes sense because she has a huge heart not just for animals but anyone she comes in contact with. She loves with all that is in her and will defend anyone when they have been wronged, even those who might be considered an enemy. Her dream vacation would be in the mountains and her favorite verse is Proverbs 1:7 that says, "The fear of the LORD is the beginning of knowledge, but fools despise wisdom and instruction." Something she has heard around campus is "Be the example, not the exception" and she has definitely taken it to heart. She has been a wonderful role model to the underclassmen and will be missed more than she will ever know. Good luck, best wishes and may all your dreams come true. Congratulations Heaven you made it!

Congratulations to the Class of 2022

YOU DID IT!!!!

This may be the end of your time on campus but it will never be the end of your time with Lighthouse. Once a part of the family, always a part of the family. We wish you the best in all that you do and blessings over this next chapter in your lives.
