Senior Spotlight

My name is Gabriel Muniz. I have been at Lighthouse Christian for 9 years. I drive a mini van (known as the homie mobile). I like to watch movies, play video games, and go place to place with friends and family.

After graduation, I'm going to college to learn Animation. I plan to eventually join a studio or become a part of a large project with the animation field. What inspired me to be an animator is watching animated movies and shows like Toy Story, Cars, Dragon Ball and Attack on Titan. I hope to learn more animation and many other things.

ATTENTION PARENTS

We have had several students and staff out sick this season. We are trying hard to keep down the sickness here at school by encouraging them to wash their hands. Please help us in this matter by reminding them daily. We all forget things from time to time.

Also, Parents please remember your student must be fever free and symptoms free before returning for 72 hours. If you have any questions, feel free to call.

Thank you for all your help!
