## Thankful and Blessed

### Florida Service Dogs

“Putting Paws in Action”

November 8 we will have a special visit from Carol Christopherson of Florida Service Dogs. We always look forward to Carol bringing her wonderful dogs and sharing about her organization with our students.

Carol is a U.S. Army Veteran and her organization trains service dogs for military veterans who are suffering physical or psychological affects from their time serving our country.

### From the Director’s Desk:

Dear LCS Parents and Students,

It's hard to believe we are already in November and the holidays are just around the corner! With that in mind, it's important that we help keep our students on track. Progress reports will be going out on 11/1 and 12/6, and Picture Day is scheduled for 11/7. Thanksgiving Break will begin on the 25th, so we'll be working to ensure that all student work is completed before the holiday.

We have so much to be thankful for, and God has blessed us richly. Let's continue to give thanks throughout the rest of the year. **1Chronicles 16:34 O give thanks unto the LORD; for he is good; for his mercy endureth for ever.**

Sincerely,  
Ms. Woods – Director

**Senior Spotlight**

Hello, my name is Kenny. Many know me as a simple kind of guy. My favorite things are hanging out with friends, playing video games, and experiencing new things. My plan after graduation is to become a concept artist.
