APRIL 2026

From
Ms. Skinner:

Happy April! Spring is in full bloom, and so is our learning! This month, we're diving into new concepts, preparing for upcoming end-of-year testing, and continuing to build important skills as we head into the final stretch of the school year. April is also a wonderful time to reflect on how far we've come and set goals for a strong finish. I'm so proud of the growth and effort I've seen in all the classrooms—each student continues to shine in their own way! Thank you for your ongoing support. Together, we're helping your child grow academically, socially, and emotionally. Let's finish this school year strong!

SENIOR SPOTLIGHT

Senior breakfast is Friday,
April 10.

Gradbash is Saturday,
April 18.

- Fri., Apr. 3 Good Friday/ No School
- Mon., Apr. 6 Easter Monday/ No School
- Fri., Apr. 11 Senior Breakfast
- Sat., Apr. 12 Unique Abilities School Fair
- Sat., Apr. 18 Gradbash at Universal Studios
- Mon.-Fri., Apr 20-24 End of Year Testing

You may have noticed a familiar name while listening to **The JOY FM** lately! Lighthouse Christian School is currently featured in a radio advertisement on Joy FM. If you happen to hear it, we hope it makes you smile. We are thankful for the opportunity to share about Lighthouse and the work the Lord is doing through our school with the community.

We would also like to extend a special thank you to The JOY FM for being a sponsor this year. We appreciate their support of Lighthouse and their encouragement of Christian education

Please remember all money is handled by Mrs. Thompson in the front office. This includes all tuition payments, deposits to student accounts, all uniform orders, field trip payments, senior fees and any other payment or fee due the school.

Please make sure you get a receipt at the time of your payment.

Prom is just around the corner, and our students are looking forward to a special evening of fellowship, fun, and celebration. This is always a memorable event for our highschool students as they gather with friends to enjoy a night that marks an important part of their high school experience. We appreciate everyone who helps make this evening possible and look forward to a wonderful prom night! Tickets must be purchased through Murray Hill Theatre. Use the promo code; lighthouse for a small discount

As we prepare for the upcoming school year, we are asking all families who utilize scholarships to please submit their **scholarship award confirmations** as soon as possible. Receiving these confirmations helps us plan and ensure that everything is properly in place for your student's enrollment. If you have already submitted yours, thank you! If not, please send it to the office at your earliest convenience.

Uniforms

We keep a small stock of uniforms on campus at all times. If your student needs new uniforms shirt and we are able to fill the order, we will do so. We place uniform orders at the end of every month. Please take care of payment when you place your order.

Don't forget to order your yearbook! The yearbook is a great way for students and families to look back on the memories, friendships, and special events from this school year. Be sure to purchase yours soon so you don't miss out on having a lasting keepsake of the year. Please contact the school office if you would like to reserve a copy

OPEN ENROLLMENT

Open enrollment is now underway at Lighthouse Christian School! Many of our new families hear about our school through the recommendations of current parents, students, and friends of the school. Simply put—you are our best advertisement.

If you know a family who could benefit from what Lighthouse has to offer, please feel free to share our phone number and encourage them to contact the office for more information. We are always grateful when our school community helps spread the word about Lighthouse!

IXL will once again be used for our end-of-year testing. This program has been a valuable addition to our academic program, and we have seen tremendous growth in students who consistently use it and work through the skills to mastery. We appreciate the effort our students have put into using IXL throughout the year and look forward to seeing the progress they have made reflected in their results.

While Lighthouse Christian School is not an online school, we have been able to use Google Classroom as a helpful tool for students who need to complete makeup work due to absences. This allows students to stay connected to their assignments and continue making progress even when they are not physically in the classroom. Google Classroom has been a valuable resource in helping us support students while maintaining our in-person learning environment.

The login information follows the pattern of:

Student Name: John Smith DOB: 1/1/2001

Email: jsmith@lcsdm.org (not a working email, used for login only)

Password: jsmith2001

Student planners continue to be an important part of our school day. They help students stay organized, keep track of assignments, and develop strong time-management habits. We encourage parents to check their student's planner regularly so you can stay informed. Working together through this simple tool helps students stay on track and be successful.

ALANA

Alana has been a part of the Lighthouse family since her 4th grade year and has had the unique experience of seeing both our old campus and our new one. After graduation, she plans to get a job while attending Florida State College at Jacksonville.

Alana shares that her brother has been a great inspiration in her life. She admires how smart he is and says he has helped build her confidence and self-esteem over the years. If she could give advice to the underclassmen, it would be simple: *be good at school and take it seriously.*

One of Alana's favorite memories at Lighthouse was a field trip to Kennedy Space Center Visitor Complex several years ago. She remembers it being a lot of fun and a highlight of her time here. Her favorite teacher is Mr. Jordan because he tells interesting stories, has funny jokes, and is always polite and respectful.

We are proud of Alana and look forward to seeing all that she accomplishes after graduation!
