Dear parents,

We have reached the month of April and the end of the year is in sight. The SAT Testing is behind us and we are geared up for the final stretch of the school year. Please encourage your student to stay focused and to keep working hard in their classes. The tendency is to slack off and to coast to the finish line, but the finish line is much more enjoyable to those who have worked hard to the very end. Let me also thank all the parents and families who have supported us in helping the students have a successful year. God bless!

In Christ,

Mrs. Yvette Postell, Director
