

SEPT. DINSMORE DIGEST 2020

5330 DUNN AVE., JACKSONVILLE, FLORIDA 32219 (904) 672-7440

From Ms. Skinner's Desk:

Here we go again.... We keep getting stuff thrown at us and we keep rising above it. Thank you parents/ guardians, students and staff for being flexible as we get this year started. I think we have most of the kinks worked out. More may arise but we will cross that bridge when we get there. Please remember we are all learning as we go and communication is key. If you have questions please do not hesitate to contact the school. We can't fix a problem if we don't know there is one. **DISTANCE LEARNERS:** please remember students must log into Zoom at 8:30 every morning for attendance and Chapel. Also teachers need to see your students faces in Google Meets so please make sure students do not turn off their video during class. Though they are at home, they are still in school. Remind students to be presentable and appropriate in class and on any chats they participate in. If a teacher corrects them, they should fix it. I would hate to have to contact parents concerning student behavior online.

Monthly Christianity in Action

Whether we know someone who has dealt with the Covid-19 virus on a personal level or someone who has had a scare. Ultimately we have all been affected by it. For our school it has caused 36 of our student body to become distance learners. Those in the healthcare industry have been in the forefront of the battle. This month our CIA project will be to say thanks. We will be "adopting" a local hospital and making thank you cards, notes and pictures to show our appreciation for their dedication to serve the community.

SENIOR SPOTLIGHT

We have 4 seniors this year. Two are with us via distance learning and two are on campus. At this point fundraising for senior fees is going to be extremely challenging. However, we have a few things we are working on. Please stay tuned for how you can help the senior class.
