Candy Grams!

Candy Grams will be on sale in the office. Let your friends know how much you care by sending them a candy gram.

From the Director's Desk:

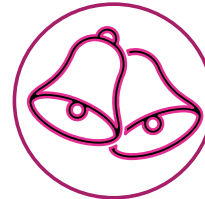

Dear LCS Parents and Students,

Love month is here! At Lighthouse we always have a fun time celebrating God's amazing love for us by showing His love toward others. In John 13:35 Jesus said, "By this all people will know that you are my disciples, if you have love for one another."

February is known as the coldest month of the year. But let's let the warmth of God's love melt cold hearts, as we show love in our actions and words to those around us.

Sincerely,
Mrs. Simmons - Director

Upcoming Events

Feb 9 – Jacksonville Top and Bottom Field Trip (MS & HS only)

Feb 14 – Valentine's Day

Feb 12-16 – Project Success Guest Speakers

Feb 16 – Progress Reports

Feb 19 – Presidents' Day NO SCHOOL

Feb 29 – Construction Careers Day (11th & 12th Grade ONLY)

During February our students will begin working on their Around the World Projects. Each student will research a country and present a project on their chosen country. Every student will have received the project guidelines and been assigned a country. Please be sure to check with your student as much of this project will be done at home. This is a major project that affects grades in all subjects.

Around the World Projects will be due on March 4 and our Around the World Celebration Day will be on March 8. For our celebration, the students will decorate their classrooms, dress in native costumes, and bring food from that nation for others to sample.

We are looking forward to learning about different cultures from Around the World!

Notes From the Teachers:

With cold and flu season upon us, many students have been out sick. Please keep in mind if your student is out with illness, they still need to make up any work they missed. Be sure to remind your students to check with their teachers about any missing work.

Yearbooks!

Last chance to buy yearbooks before the price goes up in March. Yearbooks are currently \$40.

Time to Re-enroll for next year.

You should have received a letter in the mail inviting you to re-enroll for next year. We are currently setting up appoints for re-enrollments. Be sure to save your child's spot for next year. Enrollments will open to new families in March, so be sure to secure your child's spot!

**Presidents' Day
Feb 19th. No
School.**

Senior Spotlight

My name is Taylor Bass. I have been at Lighthouse for 10 years. After I graduate, I would like to work with cars. I am also interested in the medical field. I am willing to try different things as opportunity leads me.
