Here we are February!!! We have had our first prom committee meeting and I am excited to announce our theme this year is "MIDNIGHT MASQUERADE". If your student was interested in helping with prom they are still able to do so. There will be 3 more, once a month, meetings. The next one being February 12, 5pm, at Murray Hill Theater. Students should use the side entrance in the parking lot. Parents are welcome to stay. This meeting we will really get started planning and implementing decorations and the menu. Re-enrollments are almost in full swing. Thank you to those who have already set their appointments up with Ms. Edmunds. If you have not made contact with her and are wanting to re-enroll your student please call the office today and get that taken care of. Only 3 more months until Graduation!!! Senior are getting excited and so are we. We will be sad to see them go but so happy they have completed this part of their journey. I hope you have enjoyed the spotlight section and learning a little more about each one of our super great senior class.

 JOHN 3:16

This month's senior spotlight is on Jeremiah M. In 2017, he enrolled in the 6th grade at Lighthouse Christian School. The highlight of his senior year is making his first album. After graduation, he would like to study to become a pharmacist because he enjoys helping other people. Currently he is searching for which college he would like to attend. What motivates Jeremiah to work hard is his family. His favorite verse is John 14:27, because he can relate to it. John 14:17 says, "Peace I leave with you; my peace I give to you. Let not your hearts be troubled, neither let them be afraid." The most influential person in his life is Isaiah W. because he has helped him to keep going. The advice he leaves for the underclassmen next year is, "to spread the positivity, and don't let anybody get you down."
