## Thankful and Blessed

### Florida Service Dogs

“Putting Paws in Action”

November 9 we will have a special visit from Carol Christopherson of Florida Service Dogs. We always look forward to Carol bringing her wonderful dogs and sharing about her organization with our students.

Carol is a U.S. Army Veteran and her organization trains service dogs for military veterans who are suffering physical or psychological affects from their time serving our country.

### From the Director’s Desk:

Dear LCS Parents and Students,

It's hard to believe we are already in November and approaching the holidays. With that in mind, it is important to make sure your child stays on task. We have Progress Reports going out on 11/3 and 12/1. We also will be having Thanksgiving Break beginning the 20<sup>th</sup>. Therefore, our job will be to make sure all their work is completed before the break.

We have so much to be thankful for. God has blessed us richly. Let's give Him the thanks and continue giving thanks, throughout the rest of the year.

Sincerely,  
Mrs. Simmons – Director

### Senior Spotlight

Hello, my name is Arthur Muniz. This is my 9<sup>th</sup> year at Lighthouse. My favorite memories are the good relationships I made with my friends and teachers. My plan after graduation is to obtain an Automotive Technology/High Performance Motorsports degree from the University of Northwestern Ohio (UNOH) to fulfill my childhood dreams of a fulltime career in the automotive industry.
