October 2020

*"Therefore, if anyone is in Christ, the new creation has come: the old has gone, the new is here!"*

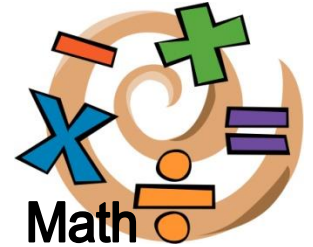

2 Corinthians 5:17

We have been working on water molecules and natural elements in H.S. and weathering in middle school.

Middle school is working on vocabulary fundamentals and the high school is working on writing, identifying the writer's purpose.

Math Skills Review and development of place values, common denominators, Multiplication, and Division in all forms, integers, and geometric concepts.

We are covering forms of government in high school and governments and American colonies in middle school.
