From the Directors desk:

Dear Parents,

Hello Lighthouse Christian School families. The weather is now warm the sun is out ensure not to miss the beautiful portrait in which God paints for us daily by concentrating on the worldly things that are happening. Get out in sunshine and enjoy God's work. The school year has been altered and rearranged, but rest assure your student is as always our top priority. Let me encourage you to please keep your student engaged as we make it through these times as the school year is just beginning. I look forward to having an inspiring and eventful year!

God bless.

Yvette Postell
