Bible Fun-Fact

Although we celebrate the birth of Jesus on December 25th, he probably wasn't born that day. We only have biblical context clues that lead scholars to believe Jesus was actually born sometime mid to late fall. In fact, the birth of Jesus wasn't celebrated until well after 300 years had passed since His time on earth. The earliest record of a celebration honoring Jesus' birth was found documented in an early Roman calendar from AD 336.

We Are Thankful

As we prepare to celebrate the bounty of God's blessings that we are all thankful for, we wanted to express our gratitude to you, our parents, and to your students. Your students have been very well behaved, respectful, and they are all working hard to complete their work and to do their best. It means a lot to us teachers to have been blessed with such a good group of students. We look forward to you getting the opportunity to see it for yourselves during our upcoming Bible Fair and Christmas Play. We are very proud of the wholesome campus we have here and much of their extraordinary behavior is thanks to you!

Must-Know

Reminders:

Dress Code: Students should make sure to be tucking in their shirts and wearing belts as necessary. With the colder months coming in, you can purchase long sleeve polos (\$25), crewneck sweaters (\$23), or zip up jackets (\$40) for you student. Students may wear a plain long sleeve shirt under their regular polo to stay warm as well. Hoodies are NOT allowed, even on dress down days. Pajama pants are also NOT allowed; please help us make sure your student is abiding by dress code on dress down days as well. We submit uniform orders at the end of every month for anything we do not currently have in stock.
