Bible Fun-Fact

Did you know that the Bible is the most stolen book in the world? Ironically, our Ten Commandments includes that "thou shall not steal", yet this best-selling book of all time, according to the Guinness World Records, is also the most stolen! With many people holding the belief that the Bible should be free to everyone, and it conveniently being found almost anywhere, it becomes attractive to a thief with good intention. We don't condone stealing; our arms are open to those seeking God's love and His Word.
