It's hard to believe it is April already. It seems like just yesterday we were welcoming everyone back to school and now in just a mere 53 days, we will be saying goodbye to the senior class. Thank you to everyone who participated in the interactive Easter activity. I hope you had fun and learned something. If you are available to help anytime during our SAT testing week please let the office know as soon as possible. We need everyone to be sure they are encouraging their student to do their very best. While this is not a pass/fail test, it is important that all students take it seriously. On a lighter note, this month brings several events for the seniors so please take close note of the reminders section and specific details that are on the second page of this newsletter.

- 1 Easter Monday/ No school
- 12 Senior breakfast
- 13 Grad Bash (Seniors only)

Why do we celebrate Easter?

Leading up to Easter, we recount Jesus' horrific death on the cross (Good Friday). On Easter Sunday, many Christians celebrate His resurrection proclaiming His victory over sin and death. Jesus Christ is fully God, fully human, and our only Savior. Because He is risen, we can trust in His sacrifice for our sins and receive new life.
